September 2026

Director's Notes

Hello Bon View Families,

Our year is off to a great start! The children are settling into their new classrooms, making friends, and enjoying their days with us. We wanted to thank you for working with us during carpool. We all are getting more efficient which is allowing our line to move smoothly and quickly. Thank you also for honoring our phone free zone policy and keeping your children safely buckled in their car seats as you drive through the line.

Corey C. Posey, M.Ed., Director

Communication

Email is our main form of communicating school information. Each week you will receive a class newsletter and each month a schoolwide newsletter from the office. Please read these newsletters so you can be up to date on school and class specific information. During the week, teachers will check email in the morning and after school. Please be reminded that during the day, they are with the children and are unable to respond to emails. If you need to get a message to them, feel free to reach out to the

office and we will relay any necessary information. Our website also contains a calendar with important dates for the 2026-2027 school year.

Conferences

We will have school wide conferences on November 3rd and March 10th. The school will be closed to children on these days.

REMIND Sign-up

Don't forget to sign up for the REMIND system for your child's class(es). This is only used in emergencies and is how we communicate school closings, delays, changes to schedule, etc... Today's flood and delayed start are the perfect example of the necessity of signing up and the importance of quick communication.

School Spirit

Be on the lookout for a flyer coming home with an opportunity to purchase a t-shirt featuring the Bon View Logo! Please have all orders turned in by Friday, October 9th. Thanks!

Exciting Partnerships!

We have some wonderful partnerships with local service providers to best serve the Bon View community. We are working with the speech pathologists from [Speak Easy RVA Speech Therapy](#) and with the occupational therapists from [First Priority Occupational Therapy, LLC](#). We are looking forward to using the expertise of these specialists to continue to provide a supportive and nurturing environment for all children.

As questions arise about your child's speech or other developmental needs, we will connect you with these therapists. They will also be providing school wide screenings upon parent request the week of November 9th here at Bon View. Look out for more information as we get closer to November.

It is our pleasure to provide professional resources for our Bon View teachers and families. We are looking forward to learning and growing as a result of these partnerships.

Important Dates

September 21 - Bon View Closed (CCPS Closed)

September 23 & 24 - Substitute Training (please contact Corey Posey if you are interested)
